What renewable resource does the product use?
(i.e. solar, water, wind, etc.) _____

The primary activities of the company, affect which of the following, as it relates to electricity?

Generation Storage Testing and R&D Transmission Distribution

What percent of the overall business activity at the Arizona facility will be devoted to the activity described above? (Must be more than 50% to qualify.) _____ %

How was the percentage of business activity measured?

Revenues Expenses Square Footage People Assigned

Section B: Project Information Continued

Is the proposed project being completed in multiple phases?

Yes No

If YES, how many phases will there be? _____

If the project has multiple phases, please describe the phase(s) that are being included in this application?
(Attach separate sheet if more space is required.)

Parcel Number(s) of Real Property:

Use of Property:

County Assessor Personal Property Account Number(s):

Provide a detailed description of the facility, including at a minimum the following details: a draft construction outline of the facility, square footage, estimated utility requirements (i.e. water, waste water and electrical consumption), special features or attributes of the facility (i.e. loading docks, ceiling heights, etc.).
(Attach separate sheet if more space is required):

Date construction is scheduled to begin: (Month, Day, Year)

Estimated last date of construction: (Month, Day, Year)

Estimated date the facility will be operational: (Month, Day, Year)

Provide the following for the prime contractor of the project, if available:

Name:

Address:

City, State & Zip:

Phone:

Contract Number:

Section B: Project Information Continued

Estimated total **capital investment amount** for the project:
 (This figure should be equal to the total capital investment listed in the Project Budget Detail below.)

\$ _____

Estimated total **qualifying investment amount** for the project:
 (This figure should be equal to the forecasted qualified investment amount listed in the Project Budget Detail below.)

\$ _____

Project Budget Detail

(Below are general categories of expenditures for a project. The estimated figures in the two columns below should be equal to the information provided in the Project Information Section above.)

Description	Total Capital Investment	***Forecasted Qualified Investment Amount
1. Lease deposits & prepaid lease amounts	\$ _____	\$ _____
